Bunny_Farmer

(1 Player) Bunny Farmer is a Top-Down, Block moving, maze, MINIGAME. Play as a RABBIT to plant as much CARROTS as you can for POINTS. There are different obstacles in each level so be WISE on the ROUTE you take. ----- WARNING: Play by yourself to avoid lag as the GAME needs to be able to run 30FPS smoothly. Other than that, go PLANTING =) CREDITS: Music by NK827, Font by Just_Tom__ with Comphermc
